

EARTHSCI 3186: Eclipses

about our sky's most beautiful sight

It's a total eclipse of the Sun. See one yourself!

Interdisciplinary exploration about eclipses' influence on history, art, literature, and music.

Required 3-day trip to Indiana to observe April's eclipse, as well the effects of an eclipse on you and your surroundings.

Spring 2024

Mondays & Wednesdays

3:00 - 3:50 PM

w/ Thomas Hockey

For a unique experience, consider **EARTHSCI 3186: Eclipses.**
