## SOC SCI 2300 Analyzing Ethics, Personal Decision-Making, & Social Responsibility

Do you find yourself asking questions such as:

- *What should I do if/about...?*
- *Am I obligated to lend money to friends and family?*
- *Am I obligated to tell my sibling their spouse is cheating on them?*
- *Should I intervene when I see the neighbor's kids hitting each other?*
- *If someone tells an offensive joke at work am I obligated to do something about it?*
- *My boss gave me credit for a project on which a colleague did most of the work. Should I accept the praise?*

No matter who we are, what we do for a job, or where we live, we all face ethical decisions and moral choices in our everyday lives. But what does it mean to make ethical decisions and moral choices?
